

Library Updates

Board of Trustees Meeting

The next Board of Trustees meeting will be held on Monday, July 20, 2026, at 7:00PM at the library. As always, the public is welcome to attend.

Phone Issue

We're still working to resolve our library phone issues and apologize for the inconvenience. Please check our website (updated daily) or follow us on Facebook for the latest updates. You can also email us or stop by the library if you need assistance,

Book Requests

While we are always happy to accept book requests, please note that some titles may not be available through our book ordering vendor. In those cases, we can try to request the item through Interlibrary Loan (ILL), if it is available in the system. However, submitting an Interlibrary Loan request does not guarantee that a lending library will be able to send the item to us. We appreciate your understanding and will always do our best to locate materials whenever possible.

Collection Update

You may notice that some of our shelves look a little different over the next few weeks. We're currently completing our annual inventory and carefully evaluating our collection to make room for new materials. This is a normal part of library collection management.
