

Reader's Helpline

[What's Next Books in Series Database](#)

Use [What's Next Books in Series Database](#) when you want to find out what book is next in a series. You can enter the title of the book, the author or the name of the series and get a list of the books in that series in order.

[BookSeer](#)

Tell [BookSeer](#) the last book you read or a book that you particularly liked and it displays others you might enjoy.

[BookBrowse](#)

[BookBrowse](#) is a great place to read reviews, find out what is coming soon or recently published.

[Overbooked](#)

[Overbooked](#) is another great resource for finding your next great book. It was established in 1994 and includes lists of books coming soon and snippets of reviews from Kirkus and Library Journal.

[BookPage](#)

[BookPage](#) is a great site for finding out what is coming soon. It includes interviews, list of books coming out, recommendations and even book trailers.
